

YRS1-3 COMMUNITY DAY

We spent the first part of the morning catching up, sharing stories and having welcome back hugs. We then squished into Homebase Kiwi (LA – Nadine) for karakia. It was then time to meet as homebases and start getting to know each other, spaces and expectations. We also began the process of naming our homebases. Unfortunately the weather was not well-behaved. We did manage to get to the park for a play in the afternoon which was a little chilly for some (mostly adults!) but we did have to cancel our picnic lunch.
