

Unlimited Coffee

Don't steal our idea, We've never lost a court case

Hey Cool Kids!/What up teach!

For the last few weeks some students in Kay's community have been working on a coffee cafe, selling all sorts of coffee and hot chocolates with slim, trim and normal milk available. We're in the kitchen, during purple block if you need value coffee. All of our profits go to Ao Tawhiti not that we'd be making much profit because if you bring your own cup you can get 50c off your order. Prices are \$2.00 for one of our cups and \$1.50 if you bring your own!

Sincerely, Unlimited Coffee
