CANTERBURY
**A&P
SHOW**

**AND WE WANT
you TO BE THERE!**

Every year, thousands of pre-school, primary and high school children attend the Canterbury A&P Show. A day out at the Show is a day packed full of entertainment and educational opportunities for students of all ages.

The Show provides an excellent opportunity for children to see day-to-day aspects of farming life, learn about the food chain and speak directly to people from the rural community – something a lot of urban children are no longer exposed to.

**WEDS 15 OR THURS 16 NOVEMBER 2017
8am to 5.30pm daily**

2017 HIGHLIGHTS

Tip Top Family Lawn

Singing, dancing, face painting, giveaways, bouncy castles and more – there's always something happening on the Tip Top Family Lawn!

Sheep Maternity Ward

Children will be fascinated to see lambs being born and cared for right in front of their eyes.

Educational Resources

We can provide education worksheets to complete the Show experience for you and your students.

Shearing

Children can watch real shearing demonstrations and have a go too!

Woodchopping

Even if you know nothing about this event, woodchopping is so much fun to watch! The skill, power and commitment of the contestants is amazing and our event attracts the best choppers in Australasia.

Endurocross

Nothing beats the noise, skills, speed and excitement of the Endurocross competition.

Mike Greer Homes City Farmyard

This interactive area offers a great chance for children to get up close to cute farmyard animals and learn more about life on the farm.

Equestrian Events

Equestrian competitions are held all day in the Main Arena – a great spot to enjoy lunch on the banks of the Arena while watching top Equestrians and their steeds compete.

Vero Livestock Pavilion

Take a wander through the pavilion and meet enormous bulls, cheeky goats and woolly sheep – there will be plenty of farmers around to have a yarn to, too!

Rare Breeds Display

Here you'll find some of the less common animals that are farmed in New Zealand.

and SO much more!

Check out our website www.theshow.co.nz if you'd like more information, or give Bindy a call on: 03 343 2136

WEDS TO THURS
15-16
NOV
2017

As a not-for-profit organisation, the Canterbury A&P Association is committed to promoting agricultural excellence to the wider community and we also want to make everyone's favourite community event as accessible as possible; so, we are pleased to once again offer heavily discounted prices for schools and pre-schools.

PRICES*

PRE-SCHOOL (<i>under 5s</i>)	Free!
PRIMARY SCHOOL CHILDREN	\$5 (<i>gate price \$10</i>)**
HIGH SCHOOL STUDENTS	\$7 (<i>gate price \$17</i>)***
ADULTS (<i>teachers and helpers</i>)	\$14 (<i>gate price \$27</i>)

Applications to attend the Show at these great prices will open in April. We'll send an application form and more details to you then, including health & safety information and EOTC templates with details to help you meet health and safety requirements.

* Prices apply for group bookings of 10 or more only.

** Primary School students includes intermediate age students.

*** Please note, Student ID may be required for some older students.
