

WORKING BEE

Discovery campus

Friday, September 22nd 2-5

Sunday, September 24th 1-4

The working bee is split between two days in the hopes more people can make it. This is our last working bee for the year - we'll be removing the centre veg beds, having a general tidy, weeding the gardens and sweeping around the sandpit.

Please bring any tools you think you might need and something to share for afternoon tea.

Look forward to seeing you there!
Families from both campuses are welcome to join us.
