

Sand Saucers

Rock Painting

Aqua Jars

Grass Seed Heads

# Discovery Campus Show Day 13.11.17

Tyre Tower

Pancake and Scone Making

# Discovery Campus Pet Parade

On Monday this week we had our first ever Discovery Campus Show Day which culminated with a Pet Parade. Throughout the day the children worked in groups of mixed ages with a variety of activities: gumboot throw, tyre tower, scone and pancake making, aqua jars, sand saucers, seed planting, grass head making and rock painting.

At 2.15 whanau arrived with pets to show off.

All in all, a fabulous day on campus!
