

## Monstera and Men Market Days Sat 10-2pm

### *An Ao Tawhiti Stall?*

A local 'jungle room' business has started a market day from their Southwark St warehouse. They are hoping to grow a green, clean futures, type of vibe.

I am exploring feasibility to stock, and staff a stall for term three. The costs are affordable (\$20 a table), and the venue is cool (in more ways than one).

If you have goods, or are prepared to help out some weeks then please let me know:

## EVERY FINE FRIDAY

### *Performance in the Square – term three*

Playing for Change class are hosting **Every Fine Friday**, performances in Cathedral square. This in conjunction with Matt Davis's music class, and Ao Tawhiti Events.

Providing the weather gods allow, we will have performances at the food courts near Cathedral square every Friday. We also plan to invite other schools to utilise the space.

If you would like to perform, or help out then please contact: [braden.faavae@aotawhiti.school.nz](mailto:braden.faavae@aotawhiti.school.nz)
